

Tolland Wolves Registration Information

Dear All,

Hi, happy new year and an official welcome to the 2010 football season, find following some very important Tolland Football Club dates:

1. Our only two group registration days for all senior players in 2010 are Thursday 18th Feb Kessler Park 6.30pm to 8pm and Sunday 7th March Rebels Sports 1- 4 pm. If you were in the under sixteens in 2009 you are now a senior player i.e. under eighteens (2010) are classified as senior players.

NB: The first registration at Kessler is a social event, **free BBQ, bring your on drinks**, meet the coaches and have a kick around if you like, catch up with team mates but more importantly fill in your registration forms.

2. Registration fees last year were \$280 so allow at least around \$300 mark to be safe for this year's season, exact amount unknown at this stage. Your paper work and the money (full not part fees) have to be with the club by the 9th March as we have to register our teams before March 10th. The club can't register teams on names alone we have to have the money and the paper work in, no exceptions. If we don't have sufficient numbers including paper work and the money we may not be able to register certain teams. Please be organised and start; saving budgeting or borrowing to get yourself on the field for this season.

3. Individual players can still register after this date up until June but clubs cannot register teams after this date. Tolland intends to register at least one under eighteen, third, second and first grade sides. To achieve this we need your co-operation hence the early notice and earlier rego start this year.

4. Our 2009 player survey was very positive with nearly all our 2009 players indicating that they would be playing again this year. If you know any potential players for our club please encourage them to register with the mighty Tolland Wolves.

5. 2010 will see an individual coach for each of the above teams providing we get the numbers. Premiership coach Patrick O'Brien will be the senior coach, mentor to other coaching staff and be responsible for weekly training apart from specific sections with the individual coaches.

6. Several suggestions from the 2009 survey have been implemented and 2010 is shaping up for an even better season for the Tolland Football Club. Hopefully you will be back and part of it.

7. Official training will commence on Wednesday 3rd March 6.30pm to around 8.30pm at Kessler Park by this time we will have our new training lights up ready for use later in the season.

8. The club has a super long term plan for Kessler Park, we have again obtained excellent sponsorship, organised a super coaching team/structure to be in place in 2010 and many great social times will no doubt eventuate throughout the season. All we need is your support and co-operation with your registration. Hope to see you on the 18 Feb or 7th Mar at our rego days.

Regards Club Secretary Maurie Hogan 4 Julie Pl Wagga. 14-1-2010
